

Foster's majority over Ewing in Ohio is officially reported at 17,129 and his majority over all is 3,855.

The election for State offices in New York, took place yesterday. At the hour of going to press we are not advised of the result.

We have been convinced long ago that Urey Woodson can't possibly increase the size of himself but he should certainly increase the dimensions of his *Edo*.—*Herald*.

The printing material heretofore used by the Marion Press has been bought by parties living in Dixon, Wisconsin, where it will be moved and a three-column paper published. This scheme is backed by Judge C. W. Cook, the late three-column candidate for Governor, who, if any one could, make it a success. —*St. Louis Globe*.

Mr. JAMES N. HANES, of Henderson, former editor of the *Reporter*, will assist Capt. T. D. Marcan in editing the new paper to be published at Catlettsburg, Ky., to be known as the *Boyet County Democrat*. Marcan and Hanes will make a strong team. We wish them the success they so richly deserve.

A man advertised extensively in the *Herald*, by the name of E. Smith. Of course he asks small profits. —*Herald*.

Of course he does and he always gets what he asks. He understands the philosophy of business. Liberal advertising, quick sales, small profits and fortunate business.

The *Union Democrat*, published at Morgantown, Fulton county, Ky., is a new candidate for public favor. It is a four-page seven-column paper, published weekly by Miller & Cannon with W. A. Miller as business manager, at \$1.50 per annum. Judging from the initial number, we think it merits success, which we hope it may obtain.

Among those favorably mentioned as prospective candidates for Commonwealth's Attorney in this district is Mr. W. R. Haynes, of Litchfield. Unless an Ohio county man should be his opponent, Mr. Haynes will carry a large vote in this county. He has many friends here who would support him in the race.

There is great interest in this county in the booming. The mines are all actively at work to supply the temporary demand at Louisville. The McHenry Coal Company shipped 500 cars this month and will ship many this month. The tender, which is one of the largest and finest mines on the rail road has started up and if everything works smoothly we think it will result in a permanent increase of the coal trade. Mr. McHenry tells us that his object is, during the temporary demand, to try to increase the general annual run of coal more than to realize money by the high price.

The Illustrious Dead.

Maj. Gen. Joseph Hooker, died at the Garden City Hotel, Long Island, October 31. Joseph Hooker was born in 1813, graduated at West Point in 1837, served in the Florida war and in the war with Mexico, during which war he was engaged in several important battles and won rapid promotion. In 1853 he retired from the army and became a farmer in California. He re-entered the service at the beginning of the war of the rebellion and figured prominently until its close. He filled many important positions and fought in some of the famous battles. The battles of Williamsburg, Fair Oaks, Fredericksburg and Malvern Hill, also the second battle of Bull Run, Chancellorsville, South Mountain and Antietam. From these and other engagements he earned the name of fighting Joe Hooker. But he has fought his last battle and gone to his long home where battles and confusion come not. *Replicator in peace.*

Joseph Abbott, the well known author and historian, died at his home in Farmington, Maine, October 31, aged 76 years. He was educated at Bowdoin College and at the Theological Seminary at Andover. His was a useful and happy life; he chose not the trade of the warrior, but that of the educator; and his memory will ever be one of sweet and grateful appreciation.

Hon. Zach Chandler was found dead last Saturday morning. He had made a vigorous campaign speech the night before at Chicago and retired, giving orders to be called up at 7 o'clock to take the train for his home in Detroit, Mich. When the call was made, however, he was found to be dead in his bed. Mr. Chandler had served several terms in the United States Senate and has been a leader in the Republican party since its organization. He partly lost a strong mind. Mr. Chandler had earned a large fortune in commercial pursuits before entering public life.

A Successful Year.

The year 1879 will pass into American history as a year of wonderful agricultural prosperity. The cotton crop is larger by half a million bales than ever before, the tobacco crop 12,000,000 greater, and the sugar crop exceeds by some 300,000 bushels all previous crops. These crops which belong almost exclusively to the Southern half of the republic. In behalf of the Northern States the excess of this year's products over the crops of any previous year is, according to the *Chicago Journal of Commerce*, 20,000,000 bushels of wheat and from 80,000,000 to 100,000,000 bushels of corn. The hog crop also is larger this year than for a number of years past—it is not the largest ever raised.

Subly Said.

Gov. Blackburn has taken occasion, recently, to pardon juvenile convicts sent to the penitentiary. The humanity of this course, is sufficient to shield him from serious criticism. That mere boys—yet in a dirty prison, and made the companions of veterans in crime, is revolting. It is very seriously questioned whether by such leniency, our civilization is not being brought into disrepute. It is a pity that such offenders can possibly be guilty of.

Crime should be prevented in young men. But if they have rights which a just and paternal Government cannot afford to ignore. Excessive punishments are not justified either in law or in morals. The incarceration of a boy in the penitentiary for any ordinary offense is excessive. His punishment is greater than that of an adult criminal, because he has less fortune to endure it, and his results are more calamitous. Let the boy be punished as a man. Equalize things. Do not punish the child, the reckless, the ignorant, the same as the hardened veteran in crime. The civilization of this age demands reform in this respect. Let the Legislature give this subject their thoughtful attention. The Executive will not doubt direct its attention to it, and co-operate with its efforts. Schools of reform, or a separate prison may serve the purpose. The prospect of saving a single boy from irretrievable ruin and disgrace—of rescuing one young soul from infamy, and bringing it into the world as a useful and self-respecting citizen, is a noble and worthy aim.

Miss Lizzie English, an amiable, unassuming and interesting young lady, who has been visiting the family of her aunt, Mrs. E. D. Walker, of this place, for about four weeks past, returned to her home in Elizabethtown, last Wednesday evening. Her departure leaves an aching void in the hearts of many of our young gentlemen.

Mr. Wm. Paris, of Buford, brought us a large fine sweet potato last week which is the result of a mixture of the red, gray and the old fashioned light yellow potato. The new seems to be an improvement on either or both of its parents. It is a good idea for farmers to experiment in this way for it sometimes leads to valuable discoveries.

Amosand Jones, Esq., one of Hartford's gallant young attorneys, spent Sunday last in Litchfield. Circuit Court was in session and Mr. Jones had a case in *chancery*. It is not fully known what his chances are. The ordinary duties of civil suits have been suspended in this case. Judge Stuart retired to permit a *Bishop* to preside. We hope Mr. Jones may be successful in his pleadings.

COLUMBIAN, Nov. 3, 1879.

Things have just about straightened out again since our late Fall. Health of the community remarkably good, a few chills are reported. L. W. Gates, Esq., is finishing up his new and fine law office, which will be when finished, a decided improvement to the east side of Ferry street.

Our Court House was finished last week by contractors Robinson & Silvers, with two new wings of paint on the outside, that adds materially to its appearance.

George W. Tebeure has just completed a new and large Livery Stable on the corner of Second and Third streets. Something we badly needed.

The Green & Barrett River Navigation Company are making extensive and expensive improvements on the Rumney locks, opposite Catlettsburg. Navigation has been partially suspended on Green River for some time, on account of the condition of the locks, but we

hope things will be all right again soon. Our October Court of Judgments was held at the usual place, and most of the counties, so far as heard from, allowing our County Judge and County Attorney each five hundred dollars for their services the past year.

Dr. King, formerly of Delaware, Ky., has accepted a position with Mr. Frank Livers, one of our prominent druggists. He comes well recommended, and our citizens are glad to have him with us. Look out for an "exodus" up your way from this section very soon. Several of our boys, your correspondent has seen "smack" with the intellect and beauty of the Hartford young ladies that attended our Fair, and speak of coming up your way at an early date.

Capt. John A. Robinson, Superintendent Green & Barrett River Navigation Company, has been in town several days, attending to the Company's interests in the repairs, etc., that are being done on the Rumney locks.

Evidently Mr. Lyman Barrett, "ve Local of the Hartford Herald," is in love with some of our Modest beauties, or he wouldn't say so many sweet things about them in his paper. Write us a private letter, Cing, and tell us about it, we promise to keep it secret.

GREENVILLE GLEANINGS.

GREENVILLE, KY., Nov. 1.

There is nothing, perhaps, more difficult of performance than to become a native in newspaper correspondence. It is not in every other man's gift. To be, there must be a beginning. To be, or not to be a correspondent, that's the question. To see one's thoughts in type, and to have them read by a large number of people, is a task not to be undertaken lightly. It is a task that requires a certain amount of talent, and a certain amount of industry. It is a task that requires a certain amount of patience, and a certain amount of perseverance. It is a task that requires a certain amount of skill, and a certain amount of judgment. It is a task that requires a certain amount of courage, and a certain amount of fortitude. It is a task that requires a certain amount of wisdom, and a certain amount of discretion. It is a task that requires a certain amount of strength, and a certain amount of endurance. Among the Useful Toilet Articles

We notice a much-needed preparation for the hair, possessed of properties so remarkable that no one who cares to own a clean and healthy scalp with beautiful hair should pass it untried. Its properties are cleansing, invigorating and healing, and after a few applications the hair ceases to fall. Dandruff and humors disappear, and the hair grows clean, soft and silky. It keeps the head cool and comfortable and gradually restores the hair if gray or faded to the natural life-like color, beautiful to look upon. It is Parker's Hair Balsam that has won such popular appreciation by its many excellent and healthful properties. Sold in large bottles, at only 50 cts. and \$1.00 by Z. Wayne Griffith & Bro., and druggists generally.

—Mr. James A. Rowe, brother to our Post Master, has sold his farm in the Point, and will probably locate here. We hope he will do so, as he is an active, energetic man, one not afraid to take hold, and is a live, wide-awake citizen like this, that we need to build up the business of a town.

—We are glad to note the improvement in business. There has been a market for mules, cattle, wheat and other farm products; and now comes R. P. Rowe & Bro., and proclaim that they want 100,000 pounds of pork. Who'll be next, and offer to buy all the surplus corn.

—Monday's *Courier-Journal* contained the following: "The *Courier-Journal* Company made a contract last spring with the miners and railroad for its annual supply of Kentucky coal, and it is now promptly receiving its supply of 1,000 bushels per week of an excellent article at a cost of less than seven cents per bushel, delivered. Below will be found some valuable hints to lady school teachers, as copied from the *Boston Educator*: First. All lady teachers, especially those in the country, should supply themselves with a pair of soft heavy upper genuine goat—heavy bottom shoes, a pair of late improved wool leggings, an oil silk cloak, with hood attached, which covers the entire form from head to feet, and a pair of arctic overshoes. This will protect health and save doctor bills. The entire outfit may be had for a very small sum, at Anderson's Bazaar. Send for prices.

Geo. Will Bennett.

This poor, unfortunate being is again in trouble. He was held over last Thursday to keep the peace and gave bond. On Monday morning last he drew a pistol on Taylor Baird on the levy, and Baird had him arrested for carrying concealed weapons. He was held by Judge Cummins in bond to answer the charge at next Criminal Court. He failed to give the bond and was lodged in jail. The jailer searched him before confining him, and found a large knife and pistol in his boot-leg. The poor fellow is crazy, and the sooner the Courts come down to facts and throw away technicalities, the better it will be for the poor being and the community in which he lives.

TUTT'S PILLS

are extracted from Vegetable products, combining in them the Mandrake or May Apple, which is recognized by physicians as a substitute for calomel, possessing all the virtues of that mineral, without its bad after-effects.

AS AN ANTI-BILIOUS MEDICINE

They are incomparable. They stimulate the TORPID LIVER, invigorate the NERVOUS SYSTEM, and give tone to the DIGESTIVE ORGANS, creating perfect digestion and thorough assimilation of food. They exert a powerful influence on the KIDNEYS and LIVER, and through those organs remove all impurities, thus vitalizing the tissues of the body and causing a healthy condition of the system.

AS AN ANTI-MALARIAL REMEDY

They have no equal; and as a result act as a preventive and cure for Bilious, Malarial, Intermittent, Typhoid Fever, and Fevers and Agues. Upon the healthy system they have a beneficial influence, wholly the health of the human race.

DYSPEPSIA IS THE BANE

of the present generation. It is for the cure of this disease and its attendant, SICK-HEADACHE, NERVOUSNESS, DEPONDENCY, CONSTIPATION, PILES, &c., that

TUTT'S PILLS

have gained such a wide spread reputation. No Remedy has ever been discovered that acts so speedily and gently on the digestive organs giving them tone and vigor to assimilate food. This being accomplished, of course the

NERVOUS SYSTEM IS BRACED, THE BRAIN IS NOURISHED, AND THE BODY ROBUST.

Being composed of the juices of plants extracted by powerful chemical agencies, and prepared in a concentrated form, they are guaranteed free from any thing that can injure the most delicate person.

A noted chemist who has analyzed them, says "THERE IS MORE VIRTUE IN ONE OF TUTT'S PILLS, THAN CAN BE FOUND IN A PINT OF ANY OTHER."

We therefore say to the afflicted. Try this Remedy fairly, it will not harm you, you have nothing to lose, but will surely gain a Vigorous Body, Pure Blood, Strong Nerves and a Cheerful Mind.
